The Agawam High Track squad, coached by Mr. Henry Drabik and Mr. Edward Stentafor, completed a very successful 1967 season with an 8-2 record. The season was highlighted by a close victory over a highly successful South Hadely team and by a high placing in the Western Massachusetts Track Carnival. Records were set in the '67 season by Warren Roberts in the high jump, Larry Fay in the 180 low hurdles and Mark LoMonaco in the 120 high hurdles.

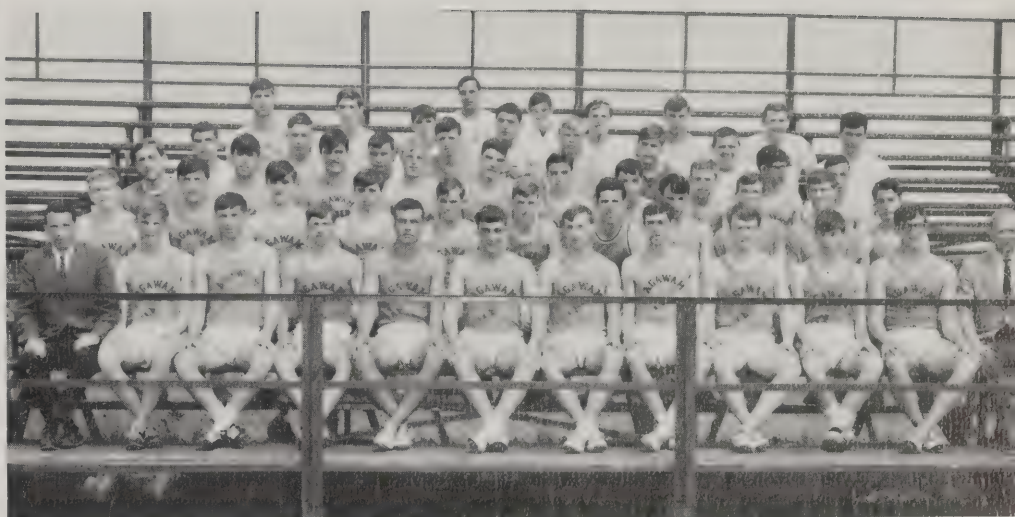

The 1968 team will center around tri-captains Larry Fay, Mark LoMonaco and Ken Whitman as well as seniors Dewayne Raynor, Bob Casal, Al Mercadante, Bob Drewnowski, Norm Caron, Gary Roberts, Gary Melloni and Ron Bouley. Experienced underclassmen who have received letters and will be returning are Walter Grezbien, Joe Giordano, Gordie MacPherson, Don Smith, Richard Brandoli, Brian Blackburn and Paul Gregouli.

“Bring Home The Cup”

The 1967 Agawam High School golf team, with a record of 12 wins against 5 losses, enjoyed a most successful season, placing second in the Valley Wheel. And, with five lettermen returning from last year's sextet, Coaches Harmon Smith and Chet Nicora feel the 1968 team will be a strong contender for the “Wheel” title. Most of the team's scoring touch will center around the

“top four”: Captain Jay Amaral, Tom Branchini, Jimmy Chicklas and Kenny Stawacz. The fifth and sixth positions will be “up for grabs” to juniors Ray Rossi, Mike DiDonato and Alan Wright. The last time the golf team won the “Wheel” was in 1965. It is our hope that the 1968 squad can “bring the cup home” to Agawam once again.

“Young, But Promising”

The 1967 Agawam High Tennis team compiled a record of 16 wins and four losses to place third in Western Massachusetts competition. Although there will be only two seniors on the '68 squad, Captain Ed Morassi and Dave Poggi, Coach Rudy Altobelli feels that a strong nucleus of support will be provided by experienced underclassmen: Tom Lennek, Louie Bonavita, Jim Houlihan and Steve Meister. Paul Houlihan, a promising freshman prospect, is expected to add to the team's strength in the '68 season. Despite its youth, Coach Altobelli predicts that his squad will better its 1967 performance.

“Continued Success”

The Cross Country Team coached by Mr. Henry Drabik enjoyed its finest season in its short three year history. The team compiled an 8-2 record in meet competition as well as finishing sixth in the Western Massachusetts Cross Country Meet held at the University of Massachusetts. The Agawam cross country men also took first place in the Agawam Invitational Meet in which seven teams participated.

Senior Ron Bouley captained the team and along with Norm Caron, Kurt Raschi, Dewayne Raynor, and Ken Whitman contributed to the success of the squad. Coach Drabik is looking forward to next year's season and is putting a great deal of faith in Paul Greguoli who was this year's most outstanding underclassman.

The disheartening statistical record of two wins, five losses, and one tie does not present an accurate picture of the Brownie football season. Although the team experienced the disappointment of defeat, they played each game with a driving determination to win. The Brownies faced a difficult and demanding schedule in this year's league action, and their margins of defeat were often slight.

Thrilling, yet frustrating moments in the season came with the tie against Chicopee and the loss to Holyoke in the final seconds of the game. The 20-6 defeat of West Side by the Brownies proved to be the season's highlight. This victory marked the fifth consecutive year that Agawam has defeated its traditional rival.

Under the leadership of captains Bob DeFilipi, Al Mercadante, and Vic Moreno, the team displayed both courage and sportsmanship. Other hardworking seniors who contributed to this year's effort were Dave Brayton, Larry Fay, Mark LoMonaco, Brian Ormsby, and Steve Buynicki. The tireless and inspirational guidance of coaches Harry Leonardi, Cliff Kibbe, John Janiszewski, and Howard Murphy instilled the 1967 football team with the spirit to meet the challenges of a trying season.

"SUCCESS TIMES THREE"

Many people seem to think that good things come in threes. Those who are aware of the winning hockey teams Agawam High has iced for the past three years will most assuredly agree with this notion. The 1965-66 season saw the Brownie six win the first hockey title in the school's history. Last year they proved to be the second best team in Western Mass. by skating off with the Consolation Cup in the Western Massachusetts Hockey Tournament. This year, coaches Bob Fassnacht, Roger Haley, and Jack Kunasek guided their charges to their second Fay Division title in three years, assuring them of a tournament berth for the third straight year with strong possibilities of going to Boston to vie for the state crown.

The hockey team compiled the best record in Western Massachusetts by solidly beating the opposition sixteen times and losing only once. This year's sextet poured more goals through opposing nets than

any team in Western Mass. and at the same time, had the least amount of goals scored against them. Five Brownie puckmen finished among the top ten scorers in the Fay Division. High-scoring seniors Brian Rosso, Jay Amaral, and John Wylie finished first, second, and third respectively in the loop's scoring race, while junior winger Tom Branchini and senior defenseman Paul Cimme wound up in the fifth and eighth spots respectively. Senior Mike Makuch turned in fine efforts throughout the season. Jim Chicklas and Vic Moreno kept the opposition "honest" by protecting goalie Mike Grasso who turned in splendid performances in front of the Brownie twine.

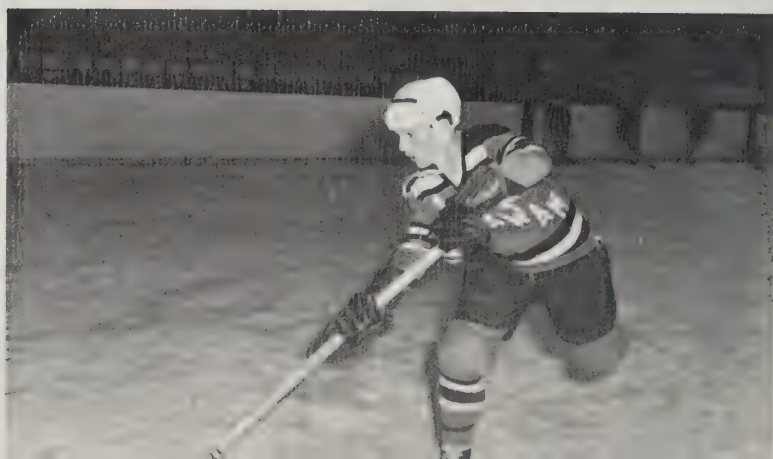

With many underclassmen returning for next year's squad, Coach Fassnacht should be able to mold another "title team". It is our hope that these boys will strive to defend the division crown and keep it in Agawam where it belongs.

"A CLOSE RACE"

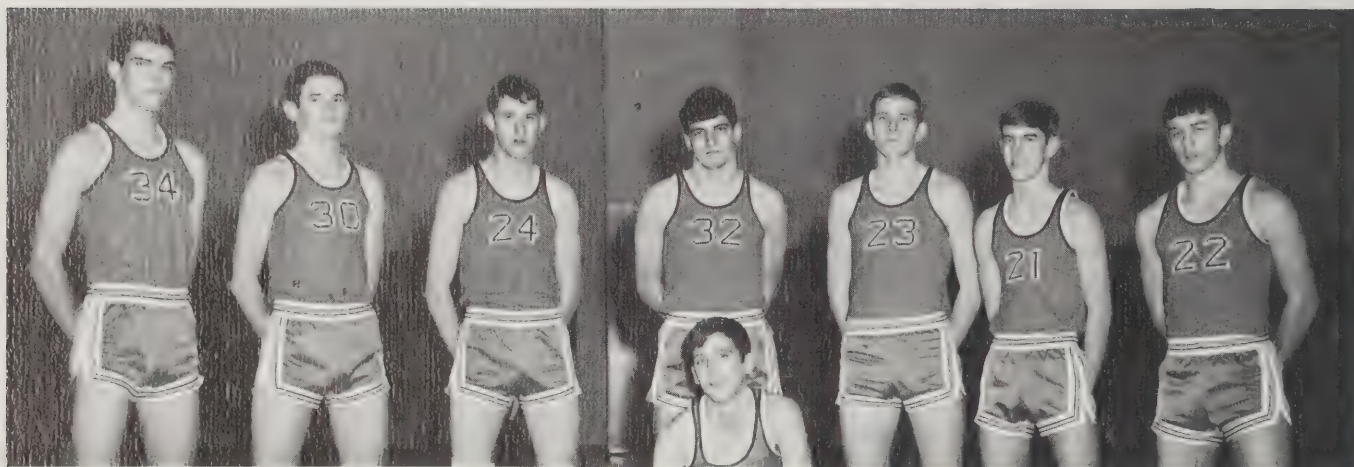

The high school Varsity basketball team tried its best to achieve the coveted Valley Wheel title. It was a close race all the way, and Agawam had its shining moments. Despite the commanding lead held by Enfield during one of the crucial games near the end of the season, the Brownies showed their prowess by winning in the final seconds of a truly memorable game. Under the leadership of Captain Paul Veronesi, the "Kibbe Klan" displayed outstanding sportsmanship and spirit which led them to a Wheel record of 15 wins, 5 losses placing them second in league competition.

Captain Paul Veronesi undoubtedly lived up to predictions that he would be high point man on the team. Jerry Pohner's outstanding rebound power was a definite asset to the team. The team victories would not have been possible without backcourt aces Kev Littlefield and Bob DeFilipi, who were responsible for setting up plays. Also instrumental to the success of the team were Richard Brindle and Norman Caron.

Though the Varsity finished second in the Valley Wheel, the Junior Varsity, under the leadership of Mr. Gerald Smith, took first place in its league. Mr. Clifford Kibbe and Mr. Gerald Smith's dedication throughout the season inspired the Varsity and J.V. squads to give 100% effort in every game.

...Activities...

Future Teachers Of America

The purpose of the Future Teachers of America is to acquaint those interested in teaching with the advantages and objectives of this career. Through observation trips, films, speakers in education, and meaningful discussions, members are made aware of teaching methods. Under the direction of Mrs. Frances Libiszewski, exchange meetings are held with area schools. This year's highlight was an observation day at the experimental school at the University of Massachusetts. The annual banquet for all club members closed the year's activities.

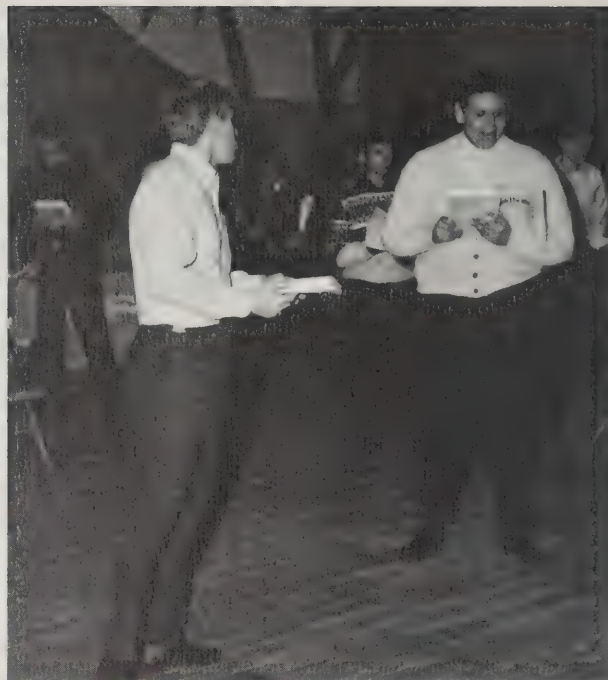

Literary Club

The only requirement for membership in the Literary Club is the enjoyment of reading. At periodic meetings, members share their varied reading experiences by discussing books with one another. Yet the club does not merely confine itself to the reading and discussing of books; it also makes trips to libraries and bookshops as well as to view stage plays. This year the club, accompanied by Mrs. Miriam Mackler and Mrs. Dorothea Nardi, enjoyed productions of *The Glass Menagerie* and *The Man of La Mancha*.

Future Nurses Club

The nursing career requires truly devoted people. It is the objective of the FNC to indicate to students interested in nursing the challenges and rewards of this field. Trips to local hospitals, speakers explaining the career, and interesting films provide the future nurses with insight and information. The club, advised by Mrs. Marjorie Kelly and Mrs. Catherine Hallaman, also undertakes projects involving hospital work.

DRAMA CLUB

Learning the art of expression through words and actions sums up the purpose of the Drama Club. At periodic meetings, Mrs. Sarah Peavey, advisor, as well as professionals in the field of drama explained the essentials of acting, directing, makeup, and the staging of plays. Members gained a keener insight of the art by viewing performances at the University of Massachusetts and the new Stage/West. The productions of "The Mouse That Roared" and "South Pacific" offered these drama enthusiasts the opportunity to utilize the knowledge and skills which they acquired throughout the year.

LIBRARY STAFF

The library staff is an efficient group of students dedicated to making the facilities of the library available to both teachers and students. The staff members gain experience in dealing with people and the workings of a library. Book fairs, held in the fall and spring, give the students an opportunity to increase their own private libraries, and the profits from the sales enable the staff to purchase more paperback books for the school. Under the supervision of Mrs. Dorothy Holmes, the library staff held a Valentine's Day Open House for teachers and the administrations of various schools. The library is truly one of the greatest assets to AHS. "for good books are not merely the luxuries of life. They are the sustenance of life."

AUDIO VISUAL AIDS CLUB

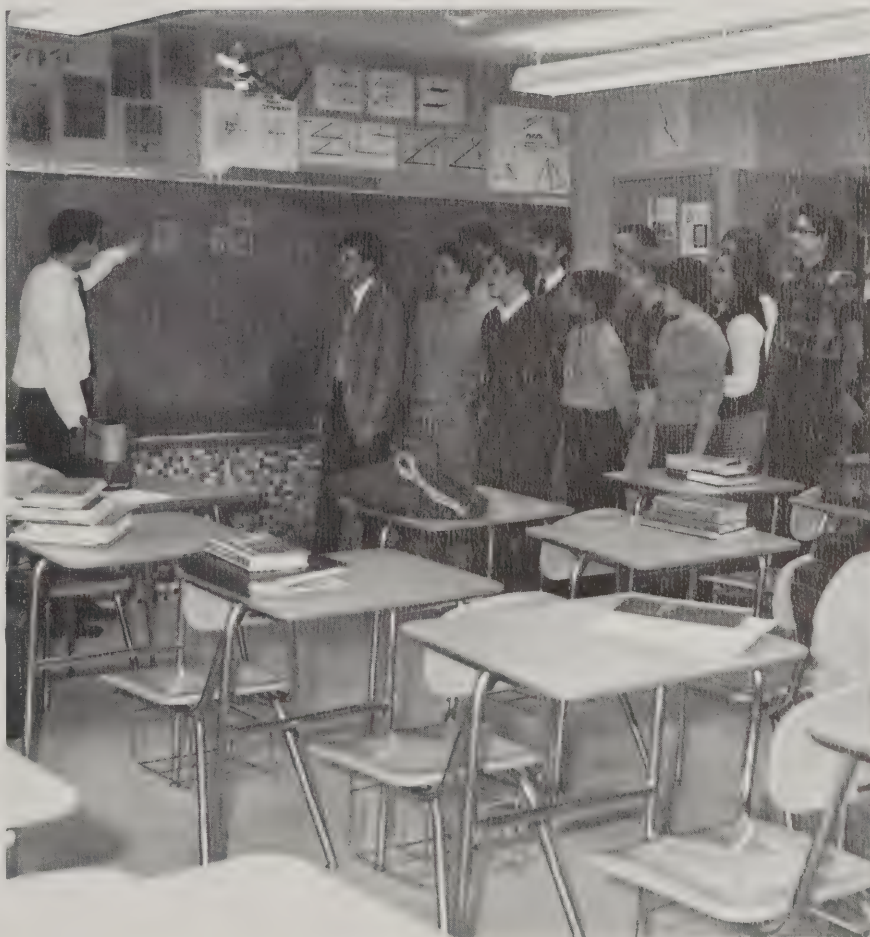

"Lights, Camera, Action!" The AVA club goes into full swing, adding audio-visual aid to various classes, taking care of the equipment, and running movies for the benefit of students. The service provided by this organization has proven invaluable to the teacher in the classroom as well as to the entire school. A vote of thanks is given to Mr. Roland Pressey and Mr. John Burns for their efficient guidance of this organization.

CAMERA CLUB

Creative photography is the aim of Mr. Pulaski and his shutterbugs. At each meeting the members discuss various aspects of photography in an attempt to improve their skills and acquire more knowledge. The club strives to become familiar with various types and uses of photographic equipment. Members are also encouraged to submit their photographs in national exhibits, thus gaining valuable experience. At their annual field trip, the Camera Club participants are given an opportunity to utilize the information they have acquired throughout the year.

ART CLUB

The purpose of the Art Club, supervised by Miss Geraldine Schilling, is to promote an interest in the expressive and creative phases of art and to allow the student to participate in many constructive experiences. One of the major projects of the club in the past year was the construction of a life-size Crèche scene which was displayed in front of the school during the Christmas season. Members also are to be commended for their work on the scenery for the operetta and the prom. A highlight of this year's activities was a trip to New York at which time members had the opportunity to visit major art museums. The Art Club also sponsored a unique fund-raising campaign; they auctioned various memorabilia of celebrities in the entertainment field.

RED CROSS

The Red Cross is devoted to assisting the less fortunate. Members of this organization combine their talents with a sincere interest in people and undertake projects to help those in need. This year, the club, decorated the Holyoke Soliders' Home at Halloween and Easter, entertained the servicemen at Westover Air Force Base during the Christmas season, and sponsored a party at the South End Community Center. In addition, the Red Cross continued its project to aid in the building of a school in Honduras. Mrs. Helen Krajewski served as advisor to the group.

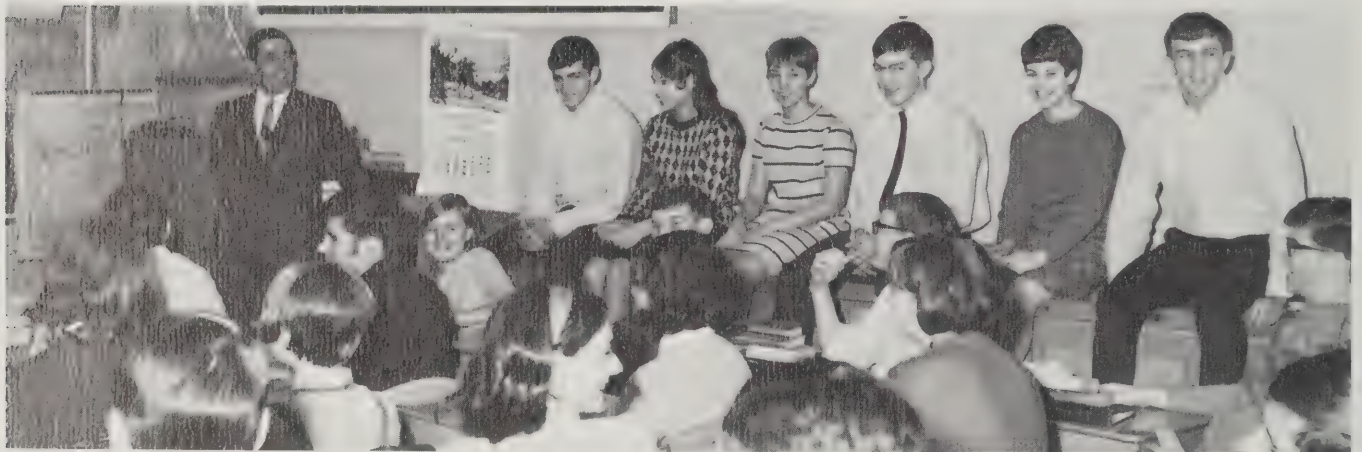

DANCE BAND

Jazz, show tunes, swing, current hits—a varied repertoire which is indicative of the versatility of the Dance Band. Composed of students who have displayed musical ability, the Dance Band performs at school assemblies as well as at other social functions. This year the band directed by Mr. Raymond Suzor was an essential element of the production of "South Pacific". The group also played at the annual exchange concert.

STUDENT COUNCIL

The object of the Student Council is twofold: to establish and maintain school customs and traditions as well as to act as a liaison between the student body and the administration to achieve better understanding. Members are elected at large by all four classes and meet weekly to discuss ideas to improve the school. The Council, under the leadership of President Joanne DeMont and Advisor Mr. Walter McCarthy, has undertaken a score of activities this year. Included on its roster were contributing to Care, a movie for elementary students, a dance "Do You Believe in Magic", a raffle for scholarship funds, and attendance at state and local association meetings. Because of its role in governing the school and coordinating school activities, the Council provides its members with experience and a working knowledge of the democratic process.

STUDENT PATROL

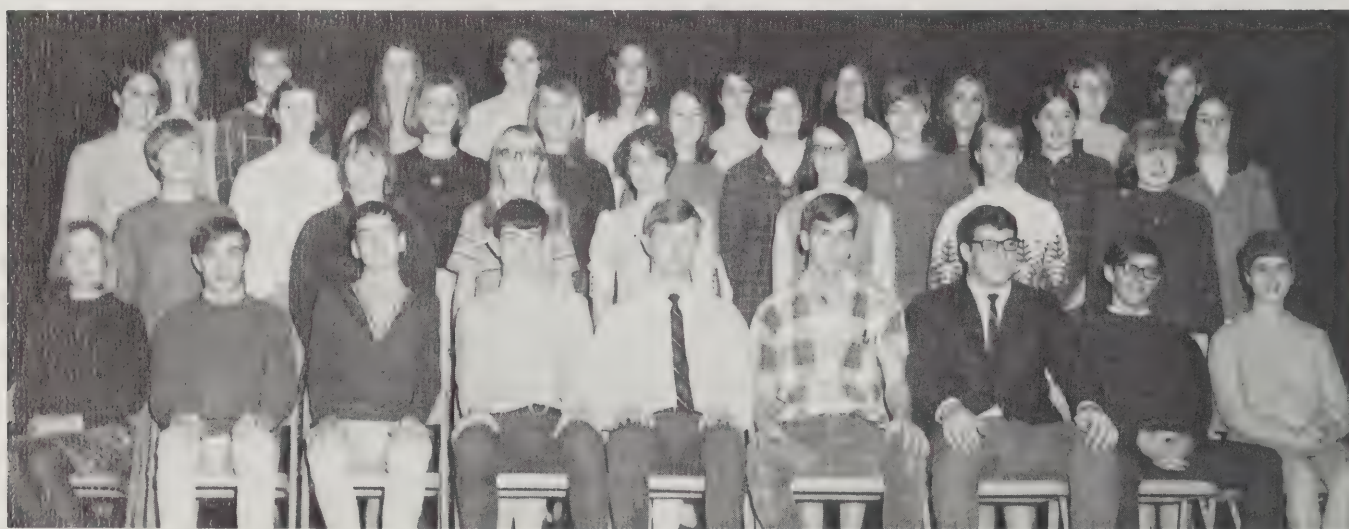

Under the guidance of Mr. Peter Mazza, the Student Patrol aids the administration in solving the problems that arise throughout the school year. Its primary objective is to maintain order in the seeming confusion of the crowded corridors and to assist in the lunchroom. Members also serve as student guides for visitors and parents' nights. Through its weekly meetings led by Captain Kevin Littlefield, the Student Patrol has attempted to come to grips with the major problems of the school and has proven to be a positive influence upon the student body.

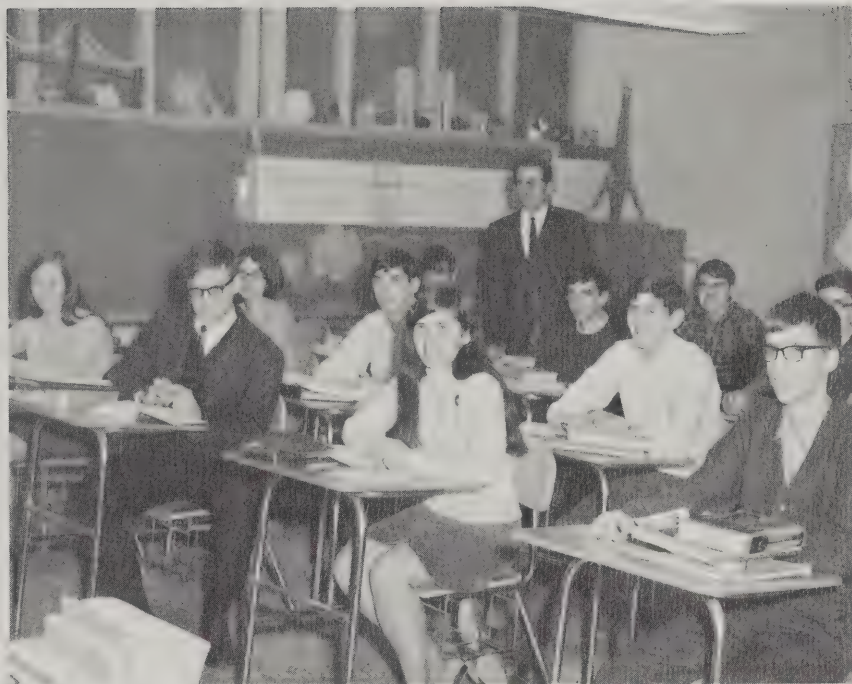

MIRROR

A candid view of Agawam High School is offered by the "Mirror". It is a collection of highlights each month, a behind-the-scenes glimpse of our students and faculty. An innovation in this year's paper is the pictorial collage which offers a panoramic view of the school scene. During the football season, the Mirror Staff sponsored its annual "Shout or Pout Dance" and sold football programs. To earn additional money for the paper, the staff also sponsored a jewelry and stationery sale. Under the leadership of editor Brian Ormsby and advisor Mr. John Burke, the newspaper increased its publications to 10 issues in 1967-68.

MATH CLUB

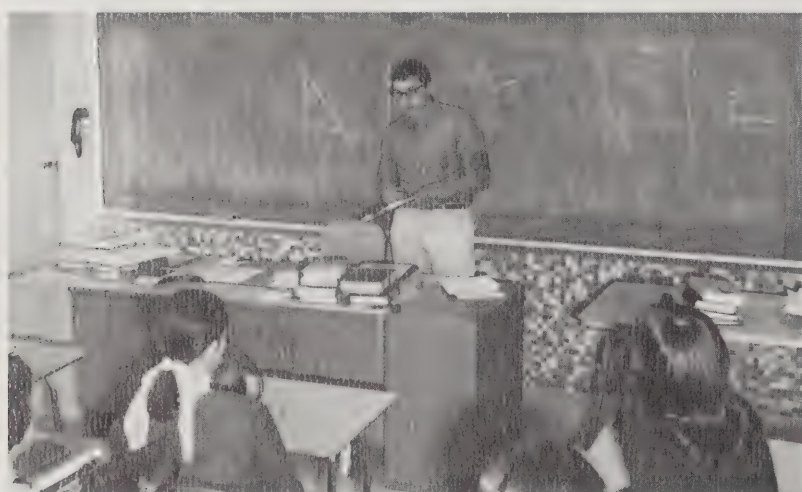

The Math Club is organized for students who are interested in gaining further insight into the field of Mathematics. Various discussions take place concerning occupations dealing with mathematics: statisticians, insurance actuaries, research work, cryptography, teaching, and computer programming. Lectures are also presented on selected topics pertaining to differential and integral calculus. To make their study of math more meaningful, Mr. Edward Stenataford, advisor, arranged for the members to visit various computer centers.

CHESS CLUB

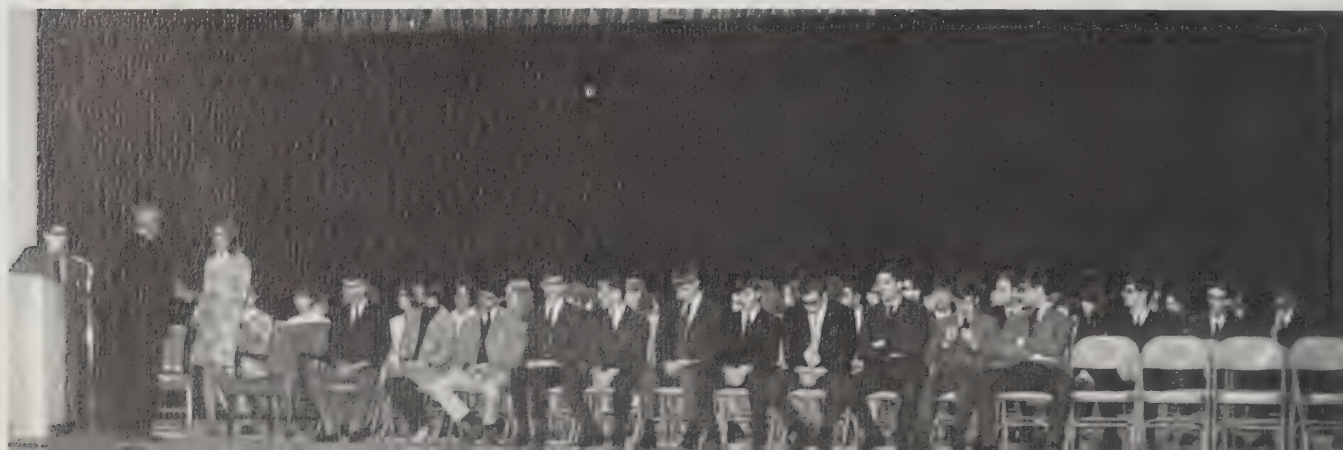

The good-natured threats of "check" and "checkmate" can frequently be heard emanating from Room 11 where both experienced and novice members meet after school to improve their skills. Although a relatively new club, the competitive spirit runs high as members attempt to outwit one another with well-planned maneuvers. The Chess Club advisor Miss Mary Zyrowski assists the group in perfecting their strategems.

HONOR SOCIETY

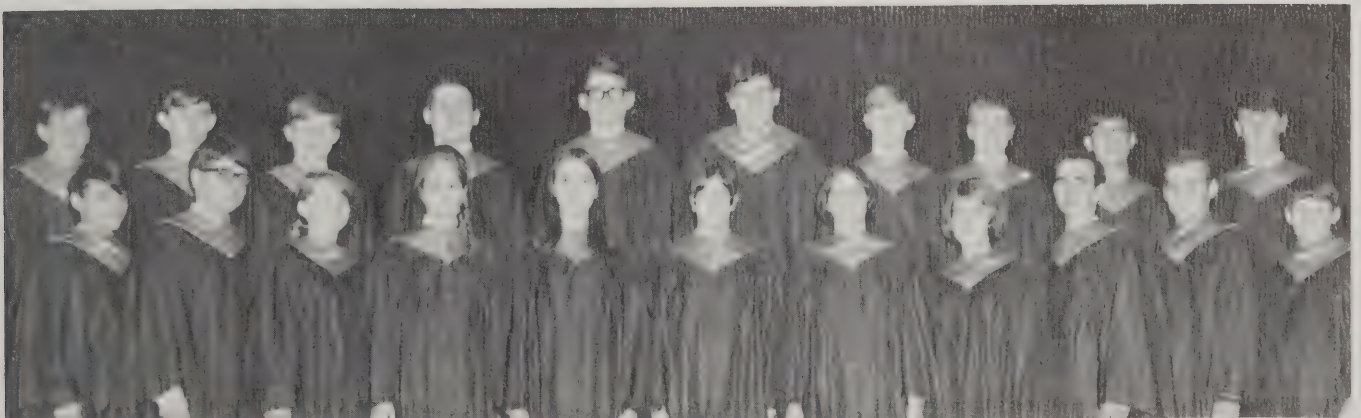

The Eleanor H. Smith chapter of the National Honor Society recognizes those junior and senior students who have attained academic excellence, are of good character, and have served the school. This year under the leadership of Gerald Alfano, president and Miss Jane Durkan, advisor, the Honor Society sponsored a tutoring program for underclassmen and continued their work for the Honduras school. New members were inducted in February at the annual assembly and were honored at the coffee hour which followed.

CHORALE

The Agawam High School Chorale is a selected group of fifty members. An audition is given to anyone who has completed one year of Chorus. The Chorale performs for various civic clubs and organizations, and at Spring Concerts, Western Massachusetts Music Festival and in the annual operetta. Nine members of this year's Chorale were selected for District Chorus: Greg Orr, Linda Brown, Kathy Ryer, Neil Titcomb, Mike Monahan, Dorothea Major, Susan Brown, and Alison Fuller; and three members were selected for All-State Chorus: Greg Orr, Susan Brown, and Linda Brown. This was the first year the Chorale had an exchange program. The exchange concert with Burlington, Vermont proved to be a successful venture. The busy and rewarding schedule of the Chorale during 1967 and 1968 was directed by Mrs. Mary Westhoff.

AGAWAM HIGH SCHOOL BAND

Whether performing in a concert or marching in their gaily-colored uniforms, the A.H.S. band is truly representative of our school, in both spirit and talents. Throughout the football season, the band played at the games, giving the team the support they needed. This year the band sent Don Cabra, Eddie Morassi, Don Wade, Bob Gosselin to District Band and Eddie Morassi to All-State Band.

At the annual band supper, it was publicly announced that the "First Chair of America", a national yearbook for outstanding bands, had selected the Agawam High School band for appearance in this year's publication.

Under the direction of Darcy Davis the band conducted its annual exchange concert and was instrumental in the production of "South Pacific."

MAJORETTES

COLOR GUARD

SKI CLUB

Though they may not be ready for the Olympics, members of the Ski Club have an enjoyable time just being amateurs. Through films and personal instruction, the group was shown how to improve their skiing acumen. Periodic jaunts to Mt. Tom and a weekend trip to Mt.

Ascutney offered the ski enthusiasts opportunities to perfect their ability. By advising the Ski Club, Mr. Raymond Suzor has met the demand of the growing interest in the sport of skiing.

GYM CLUB

The Girls's Gym Club supplements the regular gym classes through its after school meetings. On those occasions, interested girls are given the opportunity to develop their skills on the various types of apparatus. Not only does the club improve their coordination but also gives the girls a sense of responsibility and poise. The major activity undertaken by this organization is their participation in the annual gymnastics show. Their training is directed by Mrs. Alice Wydra and Miss Dorothy Hastings.

STUDENT STORE

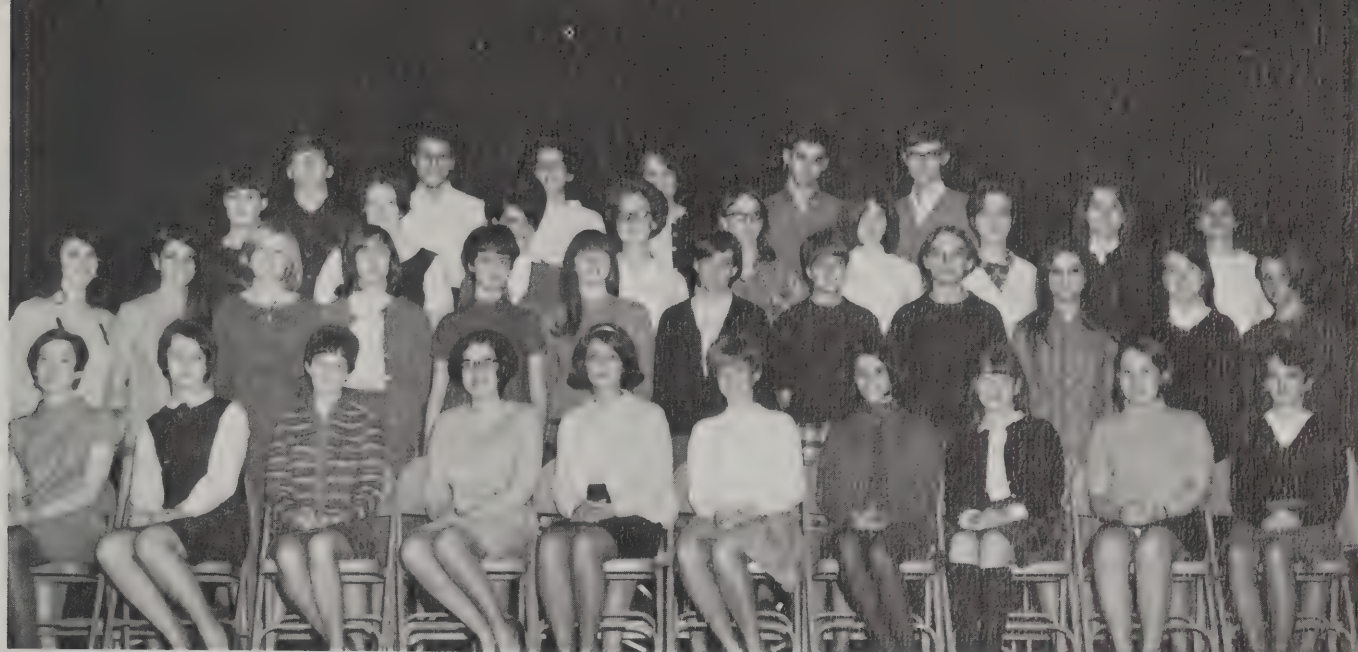

The Student Store, a functioning segment of the Business Club, sells all needed school supplies, including notebooks, pens, folders, and pads to the student body. The members could be seen before each football game selling pins, banners, and shakers to enthusiastic fans. This year Mr. Rudolfo Altobelli, advisor, Carol Cooley, store manager, and her assistant Pat Morrisseau initiated a change in the traditional football jerseys. The new jerseys are available in varied colors and styles. Business experience is gained by participants who work on the Student Store Staff.

BIOLOGY CLUB

The Biology Club consists of students who have previously taken or are presently taking biology. Its program of field trips, laboratory work, and special projects gives the students a better insight into the wide scope of biology. Led by Mr. James Bruno, the Biology Club undertook as its special project this year a study of the effects of cancer upon mice.

BUSINESS CLUB

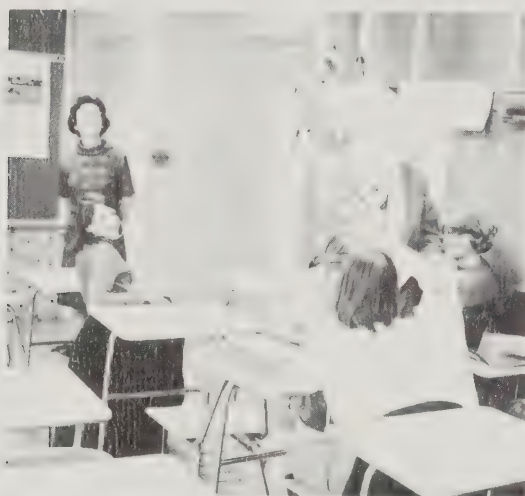

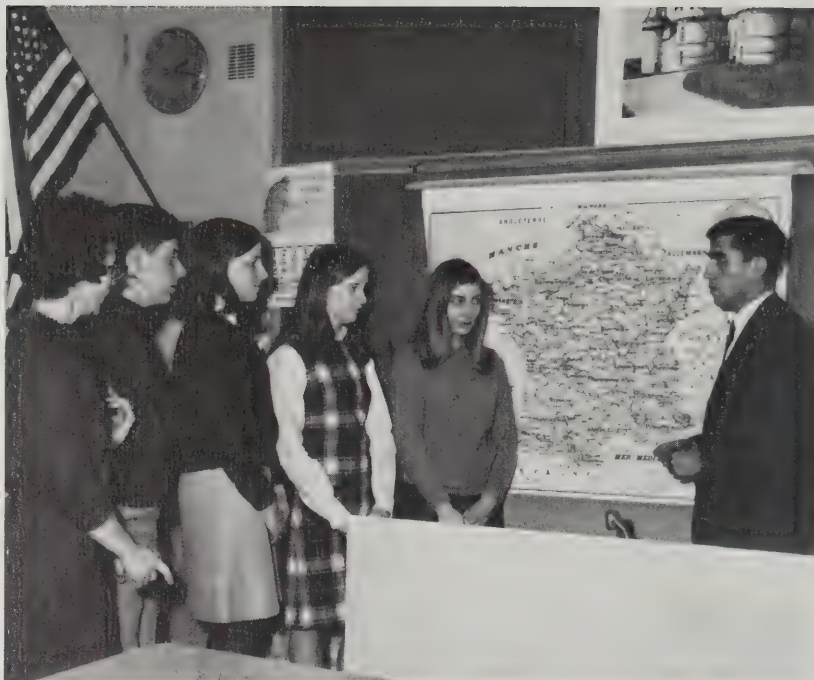

This newly-formed organization was founded to give students in the commercial area practical application of the business principles. The club has five committees: the banking committee which promotes banking and collects and deposits money; the student store committee which sells, promotes, and purchases merchandise; the long-distance field trip committee which arranges the field trip to the New York Stock Exchange; the short-distance field trip committee which plans trips around the local area; and the business speakers committee which contacts speakers and has them address the club. Although still young, the Business Club has proven quite active due to the enthusiasm of its members and the excellent direction given by advisors Mr. Gerald Smith and Mr. Rudolph Altobelli.

LE CERCLE FRANÇAIS

"Parlez-vous français!" Then certainly you would be interested in the French Club, an organization which focuses interest on the expansion of knowledge and appreciation of the French language. Students are given a chance to express themselves in French and to learn about France through movies, speakers, and participation in their many activities. Mrs. Florence Strasbourg advises the French Club, and this year, she was assisted by Monsieur Mondher M'Rad, a language aid from Tunisia.

EL ESPANOL CIRCULO

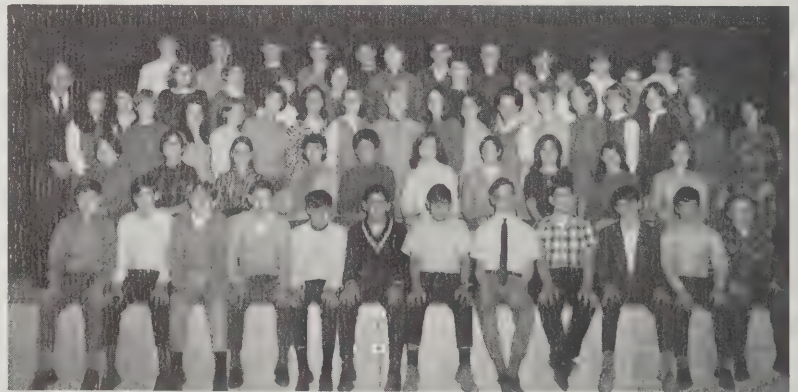

"Hable español?" The romance of Spain transmits an air of excitement—the basis of the Spanish Club. Students who enjoy speaking Spanish are welcomed to join this informative club, where emphasis is placed on speaking the language and learning about Spanish culture through films, guest speakers, and interesting productions of club members. This year, in addition to the regular activities, the club was assisted by Señor Jaime Alvarez, a language aide, who provided the members with the opportunity to converse with a native speaker. The club is under the supervision of Miss Ida Moggio.

INTERNATIONAL RELATIONS CLUB

The International Relations Club, under the guidance of Mr. Richard Dudek attempts to stimulate and foster an interest in foreign cultures. Membership in the organization is open to any student who desires to learn more about non-American peoples. At its monthly meetings, guest speakers relate the customs and traditions of their respective countries in order to promote an understanding and appreciation for cultural differences. The ever-increasing membership in IRC is a clear indication of its success and student body appeal.

PERSONALITY CLUB

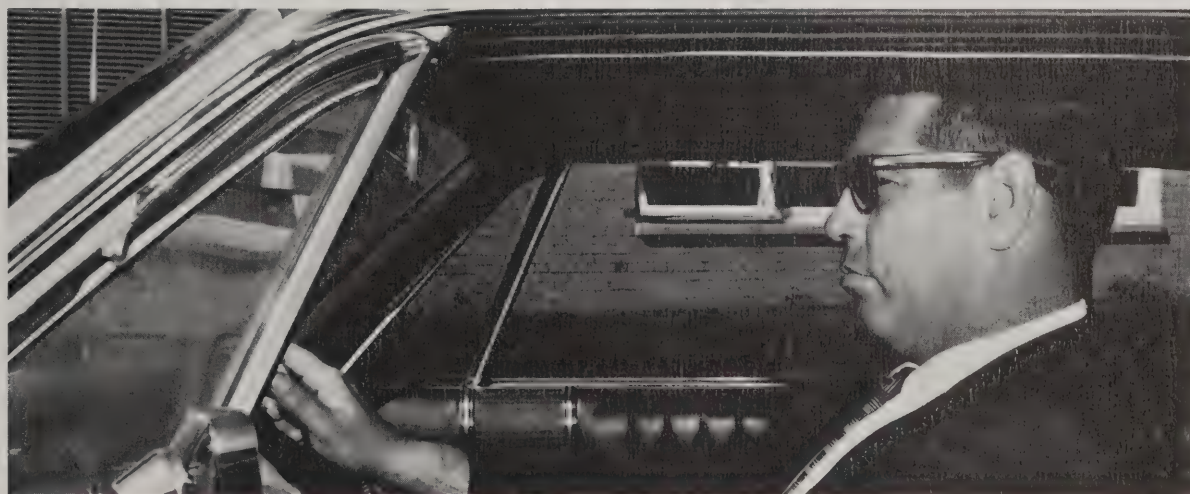

The aim of the Personality Club is to expand the young female mind, as well as to develop poise and personality. Informal gatherings, informative discussions, and enjoyable experiences are characteristic of the club's meetings. Membership is open to all girls in their sophomore, junior, or senior years. Under the guidance of Mrs. Donna Myco, the club sponsored the annual Sadie Hawkins Dance and highlighted this year's activities with a fashion show.

The Class

In the past drama of school life

There is one player—

A man quietly discerning;

Whom we remember as

The involved gentleman.

Perched on a desk top or

Anxiously pacing the floor—

This man has guided our success

With devotion . . . tempered by wit.

He is remembered, revered—

A man subtle, but dynamic.

Of 1968 Dedicates To . . .

There are more words to praise this man
Than we have paper to write;
It would take reams to fully explain
Our feelings of thanks and love—
This man's enthusiasm spread
Over us students and the school:
From the position of class advisor
To a patient and helpful teacher.
In his classroom his "Irish wit" helped
Put a student at ease; but yet
We never lost the effect of his teaching.
He always tried to help and promote
The welfare of all us students.
In Mr. Sheehan we found more than a teacher:
An individual who made our four years
At Agawam High School worth-while.

Always on the move,
Moving constantly forward,
Striving for perfection
As our only reward,
Beyond the realm of school,
Out into the world
Fighting against adversity,
We will always be moving—
Moving forward.

Allen Pilegi

"The world stands out on either side
No wider than the heart is wide;
Above the world is stretched the sky,—
No higher than the soul is high."

Now in the final stages of preparation, the "A-68" rocket is ready for blast off. The planning and development for each of the four stages have combined the tireless efforts of many individuals in order to insure its successful launching.

10 . . . 9 . . . 8 . . .

The first stage, freshman year, was built upon memories. The freshman class dance, school lunches accompanied by piped in music, and fans cheering the "Brownies" to the AAA League championship reflected the sturdy foundation of this craft. "The Ugly Duckling", the freshmen and sophomore entry in the inter-class competition, was also a highlight of the year.

7 . . . 6 . . . 5 . . .

The second stage, sophomore year, was one of progressive achievement. Representing Agawam High School at the Model Congress at AIC were Gerald Alfano and Mark Maniscalchi. 1966 was the year that the hockey, basketball, and football squads won top honors in their respective divisions. A candid portrayal of the school and town, the "D.W.P. Production", and a hilarious satire of "Batmania" were unique assemblies that year. Mr. Pulaski led the sophomore class to victory over Mr. Winston and the freshmen in the spectacular Greenfield football rally. Always on the move, members of the class of '68 broadened their cultural scope by viewing Shakespeare's **Julius Caesar** at Stratford.

4 . . . 3 . . . 2 . . .

The third stage, junior year, was one of mixed emotions. Receiving our class rings, we truly felt that we were upperclassmen. Enthusiasm grew as again "the Brownies" had a victorious season. The four classes participation with the Red Cross in the raising of funds to construct a school in Honduras was one of the most gratifying experiences of the year. The prom committee chose the romantic theme "Somewhere My Love", and Nancy Wiley reigned queen over the gala festivities. Breaking away from the ties of the traditional Cabaret, the class of 1968 will be remembered for their innovation of a "battle of the bands." Apprehensively, we took our college boards and anxiously waited for the results of our efforts. Proudly we sent Holly Kistner and Paul Veronesi as representatives of the class of 1968 to Girls' and Boys' State. The year ended on a poignant note with the retirement of three faculty members, Mr. Frederick Dacey, Miss Eleanor Miller, and Miss Mary O'Brian.

1 . . . 0 . . .

The nose cone, senior year, had a fiery start with the senior dance, held two days after the opening of school. The inauguration of a rotating schedule by principal Raymond Harris set the tone for the class of motion, 1968. The arrival of class hats and shirts intensified the feeling of unity which seniors experience in their final year of high school. Still on the move, we journeyed to Stratford in the fall to see Shakespeare's **Macbeth** and in the spring to see the Bard's **As You Like It**. We enjoyed the festivities of Christmas at the Senior Kid Party, our last chance to relive our carefree childhood. The exchanging of class pictures deepened the feeling of affection among friends as they reminisced about the past and speculated about the future. Agawam High School lost more than a teacher; it lost a friend, when Mr. Joseph Faucette left the school system. As a final farewell, the class of 1968 congregated at Betty's Towne House for the Senior Class Banquet. Finally with graduation comes the full realization of the meaning of our high school years and the anticipation of future explorations and the . . .

CLASS OF MOTION “68”

[illegible]

1. The class of Motion we are named.

Let the knowledge that we've gained,

Sweep us toward our many goals, and

[illegible]

Help us find our future roles.

2. Do not let us drift off course,
But let our knowledge move us forth,
Into the world to do our part,
That peace may come and wars won't start.
3. As we go our separate ways,
Classes, teachers, games and plays,
Will remind us of the great,
Class of motion, "68".

Underclassmen

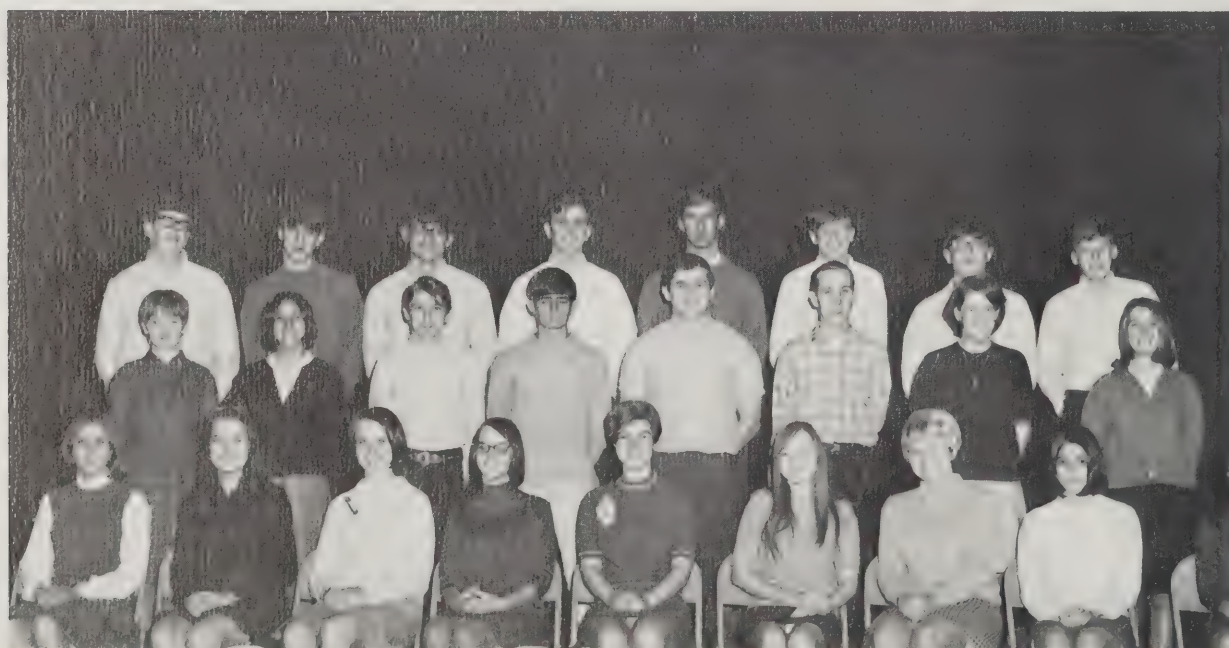

Juniors

Mr. John Petrone, advisor of the Class of 1969, guided the juniors through an event-filled year. 1968 was the year of NEDT tests, College Boards, PSAT and IQ tests, and induction into the National Honor Society. In contrast to the apprehension and anxiety of the academic life, the juniors experienced the excitement of receiving class rings and the enchantment of the prom, "Rhapsody in Blue". With the close of the 1968 school year, the juniors looked forward with anticipation to their final year at Agawam High School.

Sophomores

Having become an integral part of the high school, the Sophomore class expressed its enthusiasm through active participation in sports, through attendance at school events, and through academic excellence. Coordinating the class' activities were Barry Cleary, president; Gale Sullivan, vice-president; Jean Cressotti, secretary; and Delora Argiro, treasurer. Under the able guidance of Mr. Gerald Griffin, the class sponsored a concession stand at home basketball games. That the Sophomore class held a psychedelic dance shows its awareness of the contemporary scene. The Class of 1970 has proven itself capable of accepting the responsibilities which upperclassmen must assume.

Freshmen

From the first class meeting at the outset of their high school career through the selection of homeroom representatives and the collection of dues, the Freshmen Class has proven itself capable of assuming the responsibility necessary to function successfully. A food sale held during the Christmas holidays was their first venture toward building up their treasury. Under the supervision of advisor Mr. Walter Willard, the freshmen also sponsored an "Olde But Goode" Dance. The freshmen have now become an integral part of the Agawam High School scene and can look forward to three very event-filled years with anticipation.

"... always on the move, always moving forward..." What better words could we use to describe our class? Our initial two years as underclassmen were spent participating in class activities. As juniors and especially as seniors, we upperclassmen were caught up in the whirl of motion. It is this motion that we have attempted to capture in the 1968 Sachem. If we were able to relive one moment for just one person, then our staff has reached its goal.

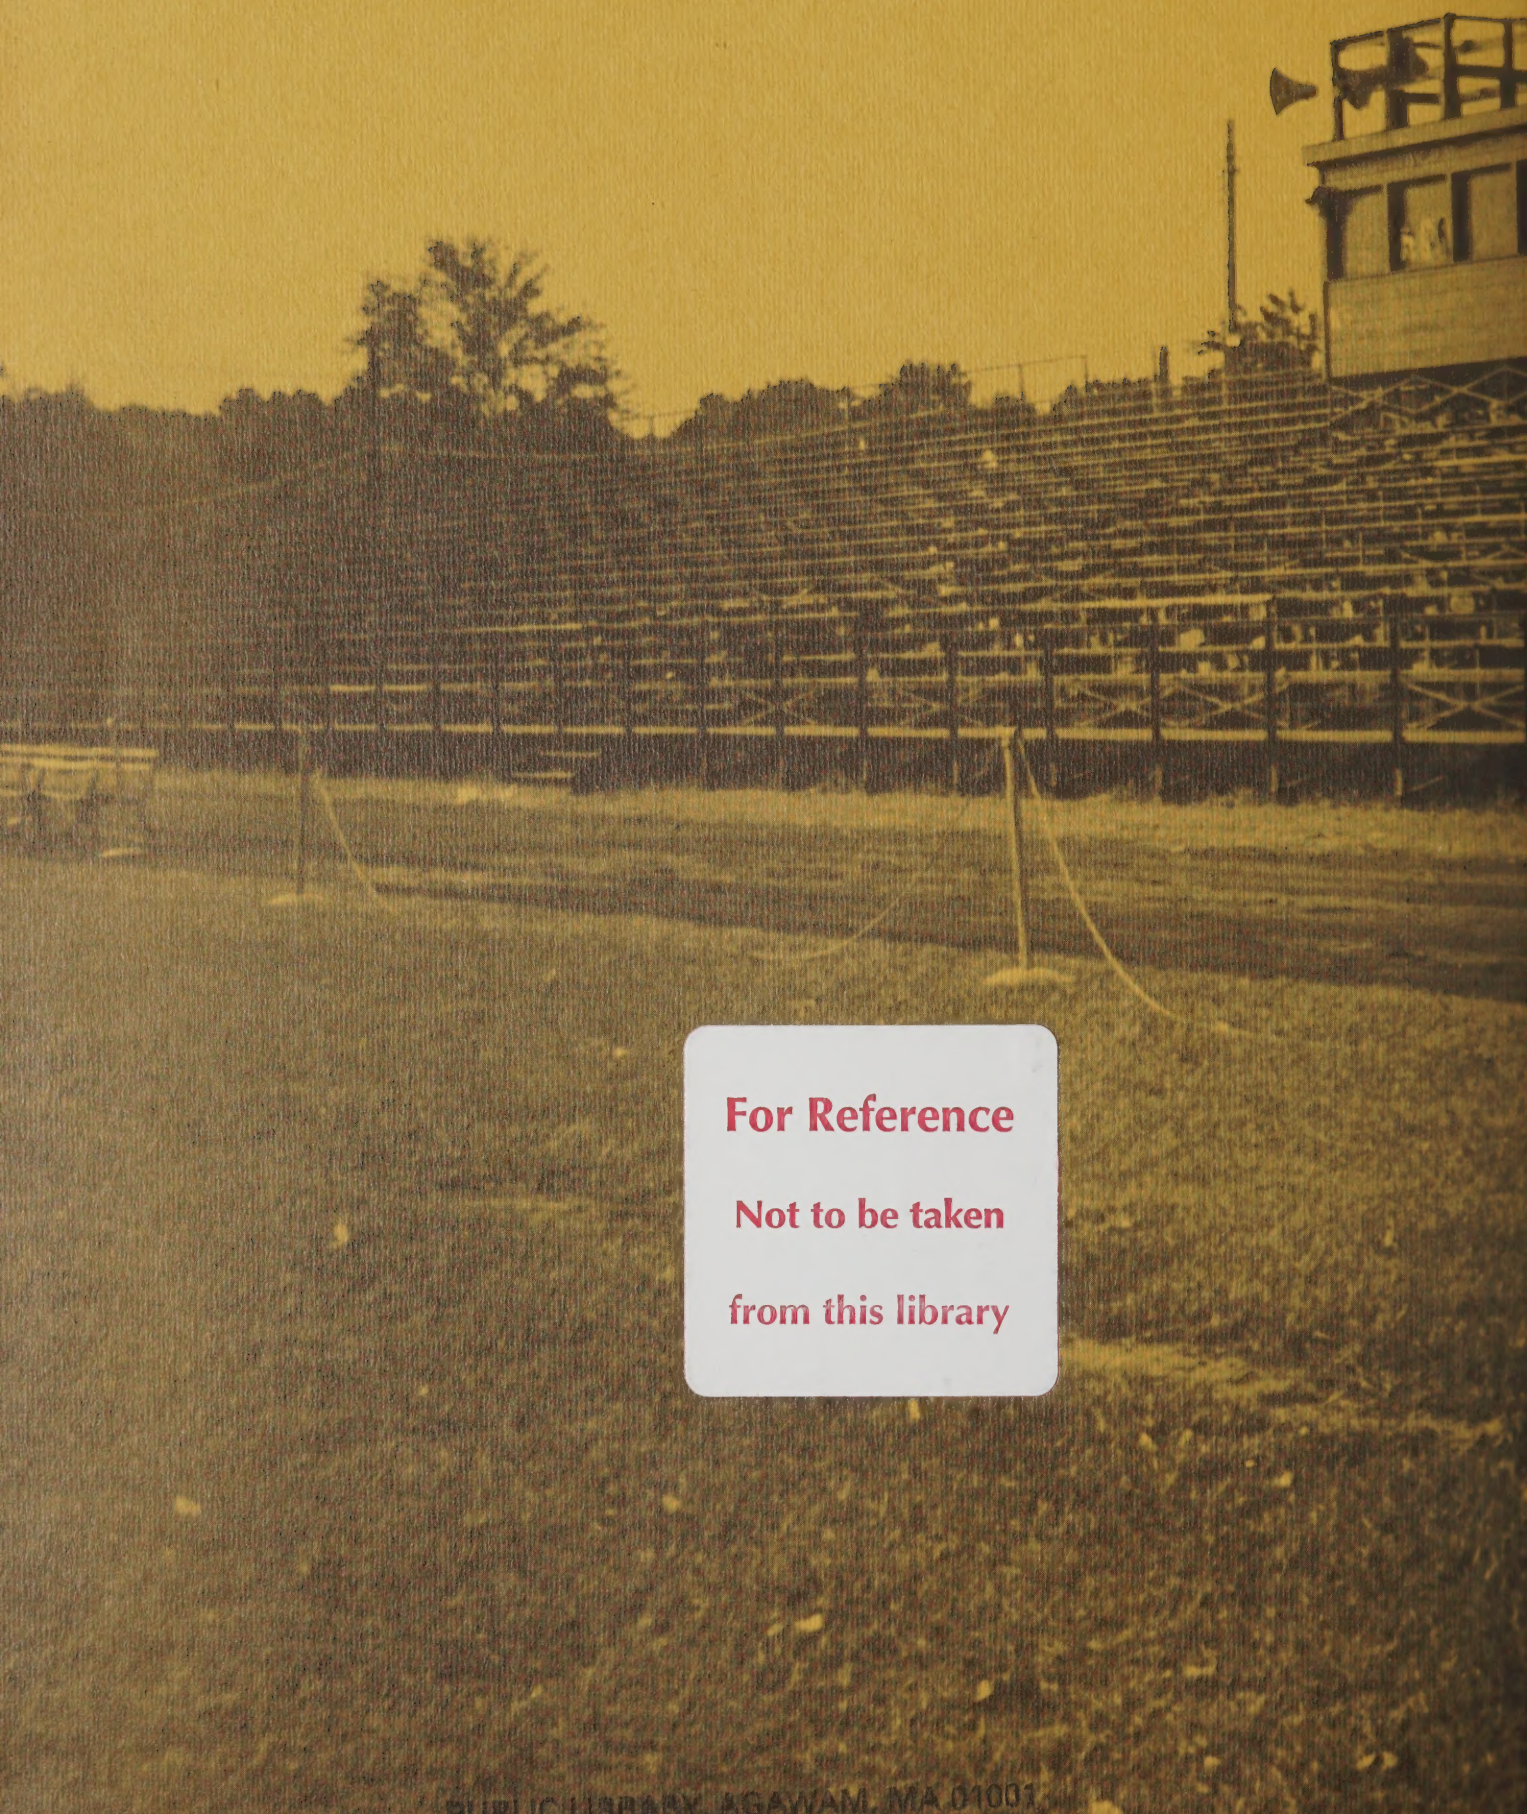

The 1968 Sachem staff would like to thank the following people for their assistance: Mr. Donald Lendry, American Yearbook Representative; Mr. Edward Carlson, Loring Studios; Mr. David Pulaski, Mrs. Miriam Mackler, Mr. Blynn, and especially Mr. Robert Peters, advisor.
